

## **Camborne-Redruth Camera Club**

The Camborne-Redruth Camera Club met last Thursday evening (11-02-10) at the Treleigh Church Hall.

The main subject of the evening was the projection of the 337 acceptances drawn from an entry of nearly 2000 images to the 2009 Dingwall International Exhibition – Scotland. As one might expect in such a prestigious exhibition the images were of a high standard. This has been an annual event in the C-RCC's winter programme for several years, a contact established by club member Delia Trathen.

Mary Poad ran a short Audio/Visual sequence of C-RCC's successful 2010 Annual Exhibition which was held at the Cornish Studies Centre, Redruth, and closed last Friday. The Exhibition was well attended and Reg Poad (Chairman) thanked all members involved, either submitting work or hanging the exhibition.

During the evening there was a short discussion about how the popular Portrait and Still Life sessions were going to be organised and Andy Davies spoke to members about additional studio equipment that could improve the existing facilities even further.

Peter Keverne has had further acceptances in United States International Salons, this time in the Coachella Desert Valley Projected Images Exhibition with '*Electrified Rat*' and '*Robin*'.

Tonight (18-02-10) again at Treleigh, Brian Crick (St Ives CC) will be judging the opening Group One round of the Mersea Challenge Trophy in which C-RCC will be competing against five out of county clubs. Entry to this competition is by invitation only.

Next week is the C-RCC's Third Open competition of the season with Geoff Hitchens of St Ives judging.
