

Camborne-Redruth Camera Club

The Camborne – Redruth Camera Club met last Thursday evening (28-01-10) at the Treleigh Church Hall for a set subject competition 'Ground Level'. Reg Poad (Chairman) introduced Thelma Hope (Truro Camera Club) who was making her first visit to Treleigh as a judge. Thelma was given a difficult task to judge the various members' interpretations of the set subject and in her opinion several entries did not meet the criteria. She was very keen on the images being sharp where it mattered and also felt several images would have benefitted from further software adjustment, particularly using levels.
